

*Mr. E. Tomlin Bailey*

*voluntarily or for others to do away with him. According to Lieutenant Gordon, Mr. Grottano indicates this is known to the police and to the FBI, who are concealing these facts and have selected Trujillo as the one the public would most likely accept as being responsible.*

*The allegations and insinuations made during the course of the above-reported conversation are completely without foundation and I am furnishing you these data for your information.*
